EDUCATION

B Tech Information Technology
Vellore Institute of Technology, Vellore, Tamilnadu

2017 – Present   *9.1*

Courses

- Data Structures and Algorithms.
- Data Mining.
- Database Management Systems.
- Data Communication and Networks
- Human Computer Interaction.
- Big Data Analytics.
- Soft Computing
- Artificial Intelligence

Intermediate/+2
Shakti Higher Secondary School, Rajkot, Gujarat.

2015 – 2017   *96.96 Percentile Score*

High School
Mahan High School, Rajkot, Gujarat

2014 – 2015   *99.95 Percentile Score*

WORK EXPERIENCE

President
V innovate IT

2017 – Present

VinnovateIT is the official research and innovation lab of School of Information Technology (SITE), VIT

Achievements/Tasks

- Data Science and Web Development Projects
- Introducing juniors to various technologies

Computer Science Expert
Chegg

2017 – Present

Experts on Chegg are tutors for students around the world who are paid according to their question solving abilities

Achievements/Tasks

- Solved over 50 questions asked by several Chegg Users

SKILLS

`C++` `Python3` `Ubuntu` `Javascript` `HTML-CSS` `NodeJS` `Leadership` `Tensorflow` `Backend Devlopment`

PERSONAL PROJECTS

Swapy Swap

- A book sharing site for VITIANS during open book examination
- http://swapyswap.herokuapp.com/

Attendance using Face Recognition

- Comparison of various old algorithms with new Convolutional Network Architectures
- Execution of OpenCV and Neural Network architectures for best accuracy, Project for Human Computer Interaction course

V innovate IT website

- https://vinnovateit.com/

CERTIFICATES

Introduction to Probability and Data (11/2018 – Present)
Coursera

Python Data Science Toolbox (01/2019 – Present)
Datacamp

Neural Networks and Deep Learning (05/2019 – Present)
deeplearning.ai by Coursera

Web Developer Bootcamp (08/2018 – Present)
Udemy

INTERESTS

`Reading` `Writing` `Travelling` `Basketball` `Hiking` `Movies` `Cricket`
